●About Us

Erickel pty LTD is a top-notch car seat covers manufacturing business, which was established in 2010.

The business was founded by a car enthusiast who understood the problems associated with car seats. He noticed that many car owners struggle to find seat covers that not only are pleasing to the eye but also offer durable protection against challenges associated with upholstery damage.

Our product gives new definition to luxury, comfortability, durability and protection as we source our material from top factories and we constantly bet on our workmanship, due to this our car seat covers have proven their inability to fail our clients.

Over the years, we have grown to become the preferred in our industry and we take pride in our ability to customize our seat covers to meet the specific needs of every customer at competitive prices.

●Mission statement

Erickel pty LTD aims to respond to each customer's requirement of high-quality car seat covers that enhance the comfort, style, and protection of their seats beyond expectation.

●Vision

The vision of becoming a lucrative large enterprise has always been the core of our business model.

Our plan is to aggressively bring innovation to our products by constantly exploring new materials, designs and features to enhance the car seat covers' functionality, safety and convenience as this is vital for staying ahead of the competition.

Apart from providing further value addition to our existing customers, we plan to empower our ability to reach even far markets globally by partnering with reliable partners across the world to ensure our services are served in a high quality standard all over the markets.
